2022 AUTHORITY BUDGET MESSAGE & ANALYSIS

Bellmawr Redevelopment Agency

FISCAL YEAR: January 01, 2022 to December 31, 2022

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2022 proposed Annual Budget and make comparison to the Fiscal Year 2021 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

The Agency's budget remains unchanged from 2021 to 2022 as environmental remediation approaches it's conclusion paving the way for development to begin in Q2-2023.

Agency revenues are derived from funding through the appointed Redeveloper until the Agency is in the position to generate revenue from rents, billboards, etc. A Redevelopment Agreement was finalized in August- 2020 among the Agency, Borough of Bellmawr and the appointed Redevelopers, formalizing the latter's obligation for funding until such time when the Agency is self- sustaining.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

The "COVID hangover" slowly began dissipating in 2022 with a guarded return to normalcy, but the economy has fluttered and staggered due to rising inflation, particularly in consumer- driven products such as gas, groceries, etc. We also saw a monumental increase in building materials, putting a damper on new residential & commerical construction.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, pilot payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

No funds transferred since Agency formation in March-2018 thru present <2022>, including CY-2022.

5. The proposed budget must not reflect an anticipated deficit from 2022 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

No deficit.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?
